What the TRUSTe Certified Privacy seal means:

Companies who display the **TRUSTe Certified Privacy seal** have demonstrated that their privacy policies and practices meet the TRUSTe Enterprise Privacy & Data Governance Practices Assessment Criteria.

TRUSTe monitors ongoing compliance through annual recertifications and complaints received through the Privacy Feedback mechanism.

All companies that display this seal are solely responsible for their own privacy practices and for promptly notifying TRUSTe of any changes that might affect their certification status.

TRUSTe is responsible only for the privacy practices applicable to it as expressly described in the [privacy policy](#) for the TrustArc group of companies and is not responsible for the privacy practices of any other company.
